

We invite you to join the Tacoma Latino Chamber of Commerce Serving King County.

Our Mission: To grow all our members business's and help Latino owners and independent professionals unite to advance their organizations to new levels of prosperity.

Our Vision: To create fertile ground for growth and progress for all our membership and all Latino businesses.

Our Philosophy: *Latinos United for Business and Progress.* We have witnessed the positive and powerful outcome of standing together, getting organized, embracing our differences to create together economic and financial wealth far beyond what can be accomplished individually or divided.

Our day-to-day activities at the Tacoma Latino Chamber include:

- Building powerful business networks where to advance profits and growth.
- Fostering direct connections to private and government programs designed to advance Latino businesses, providing resources that propel business education, grants and philanthropy for our members and the Latino community.

New International Perspective:

Tacoma is the port of entry for Asia. We want it to be the port of entry for Latino businesses looking to expand from their country of origin to the Northwest.

It's time to join!

We invite all businesses and professionals who share our vision of wealth and prosperity to become part of our business network.
